

Raymond W. Johnston

President
Chamber of Marine Commerce

Mr. Johnston is President of the **Chamber of Marine Commerce (CMC)** which represents a broad range of marine industry stakeholders including major Canadian and U.S. based cargo shippers, carriers, port and Seaway authorities, terminal operators and marine equipment and service providers. Through strategic industry alliances and partnerships with government, the CMC seeks to promote the development of sound marine policy to address industry competitiveness challenges and to increase awareness of the vital role that marine industry plays in our economy and society overall.

Mr. Johnston is currently Chair of **Green Marine Management Corporation**, the legal entity that manages the Green Marine® Environmental Program. Initially founded by Canadian and U.S. companies in the Great Lakes region, Green Marine has been rapidly expanding into various regions of North America, including British Columbia and Atlantic Canada. More than 50 shipowners, port authorities, terminal operators and shipyards are currently participating in the program.

Mr. Johnston is a member of the Canadian Committee of **Lloyd's Register of North America** and a member of the North American Committee of **Germanischer Lloyd**.

Mr. Johnston's background includes more than 25 years of experience in the marine industry. Prior to joining the Chamber of Marine Commerce, Mr. Johnston held the position of President and Chief Executive Officer at **Canada Steamship Lines Inc.** of Montréal, Québec.

Mr. Johnston holds a Bachelor of Commerce degree and a Master of Business Administration degree from Concordia University in Montréal, Québec.
